This was the first spring yearbook class ever. What to do? The yearbook was finalized weeks ago and we have three months on our hands...Scan a hundred years of Goldbugs and put them online? Yeah, we are crazy enough. While we only got 38 books up, hundreds of alums will be happy to have access to ARHS history. And we completed a 28 page supplement- first time ever done before school is out! We ate lots of candy and played Goldball and dethroned Gabe Fishman- reigning yearbook pitchnut champ.
